Great portrait photography captures the spirit of the moment and the individual

Portrait Packages

The team at Henderson Photographics will take your portrait in an environment that best suits you and your family.

We listen to your thoughts and ideas and adapt them to a suitable shoot style. We have a team of professional photographers and a well equipped studio to provide you, your partner, family, newborn or pregnancy the intimacy and privacy of a dedicated environment. We also have a large beautifully kept garden with various backdrops and children's features. If this doesn't suit, we have a range of fantastic shoot locations up our sleeve that are sure to fit the bill.
